CHRONICLES OF PURPOSE,
PASSION, AND PROGRESS

Founder
Pujya Shree Anuben Thakkar

Chairman
Dr. Vikram Patel

O Blissful Mother!

*Fill your children with wisdom, radiance, and purity.
May their hearts be filled with devotion, faith, and joy.*

*Break the illusory walls of ignorance and darkness,
and make them ever eager to worship You with pure and sincere hearts.
Bestow Your constant divine presence,
and make every life truly fulfilled!*

Celebrating Navratri with devotion, joy, and the blessings of Ma Adhyashakti :

At our schools, we celebrated Navratri with vibrant colours, devotion, and joyous spirit. During these sacred days, we prayed to Ma Adhyashakti to fill our hearts with knowledge, purity, and radiance, and to inspire faith, devotion, and love in all of us. As the festival concludes, may Her divine presence continue to guide, nurture, and bless every life with light and joy.

This Navratri, our children danced Garba with pure joy, their tiny steps and bright smiles carrying forward the timeless devotion to Maa Adhyashakti. In their playfulness shone purity, and in their togetherness blossomed culture-reminding us that when children celebrate, festivals truly become prayers in motion.

With every swirl of incense and every beat of the dhak, the air was filled with devotion. Guru Chaitanya Manglam's Dhunuchi Dance brought the spirit of Durga Puja alive at Eklavya School.

Education – The Light that Removes Darkness

Education is not just about learning from books; it is the most powerful tool to eliminate many of society's deep-rooted problems- poverty, unemployment, dowry, socioeconomic imbalance, child marriage, superstition, caste discrimination and many more.

During Navratri, the children of our Shardamandir Baxipanch Shala beautifully conveyed this profound truth through a thoughtful act. With innocence and creativity, they reminded us that education is the true path towards equality, dignity, and progress for all.

Education finds its true meaning when it becomes a force for compassion - improving lives, strengthening communities and leaving the world better than we found it.

Blood Donation Camps

अनुसंधान

On the occasion of our Hon'ble Prime Minister Shri Narendrabhai Modi's 75th birthday and the success of Operation Sindoor, a blood donation camp was organized at Shri N.G. Shah Public High School, Waghodia. The responsibility of conducting this camp was successfully undertaken by our Kailash Cancer Hospital.

K C H R C organized a Blood Donation Camp at Valva village in Waghodia. We are deeply grateful to all the donors for their generous contribution.

Compassion, care and learning come together at Muni Seva Ashram

Muni Seva Ashram continues to be a living classroom of compassionate service and holistic development. Recently, 120 students from the 4th semester and 4th year B.Sc. Nursing program at J.K. College of Nursing visited our Kailash Cancer Hospital, Bhagini Mandir, and Vanprasth Mandir to gain academic exposure across our diverse verticals of healthcare and community care.

When I look back at the journey that began in 2012, it truly feels like a walk down memory lane - filled with challenges, transformations, and countless moments of joy.

Before joining Muni Seva Ashram, I was working with Bharatiya Vidya Bhavan's Ambuja Vidya Niketan, a full-fledged +2 CBSE school run by Ambuja Cements. Moving from a corporate environment to the value-driven ecosystem of the Ashram was both a change and a revelation.

At that time, Eklavya School had just three classes - 6th to 8th - with 88 bright children from the tribal areas of Gujarat. The Gurukul-like atmosphere, simple living, and soulful purpose of education here brought a new sense of meaning to my profession. It was a joy to see my daughter join the same school in Class 8, and my wife too beautifully embrace Ashram life -together, we became part of this larger family.

Yogesh Singh
Principal – EMRS

Learning about the inspiring journey of Pujya Anuben and our visionary Chairman, Dr. Vikram Patel, left a deep impression on me. Their unwavering dedication, resilience, and compassionate service to humanity continue to light our path. The management's trust and freedom to innovate encouraged me to gradually steer the school towards the CBSE pattern.

With every passing year, we added new classes, new children, and new dreams - until one day, we proudly saw our first batch of Class 12 Science students ready to take on the world. Since then, **more than 25 of our children have become doctors and over 38 have become engineers** - a living testament to how education rooted in values can truly transform lives.

Through every initiative, one phrase from Dr. Vikram Patel Sir continues to guide us: **“Let's do whatever is good for the children.”**

As I reflect on this journey, my heart is filled with gratitude - to our management, teachers, parents, well-wishers, and above all, our children who keep our mission alive. The horizon ahead still calls with promise and purpose - and with faith in our hearts, we continue to move forward... miles to go before we sleep.

Eklavya Students Shine at Rural IT Quiz!

Our young minds made us proud once again!

Four of our students participated in the Rural IT Quiz held at Lok Vigyan Kendra, Vadodara, and we are proud to share that all four have been selected for the State Level competition!

Congratulations to:

Riddhi Girishkumar Varia (Class 11)

Ruchi Bhupatsinh Zalaiya (Class 11)

Chinmaykumar Shaileshbhai Rathva (Class 9)

Jaydipkumar Pumalbhai Rathva (Class 9)

A special mention to Computer Teacher Shri Sunil Kanojiya for his dedicated guidance and encouragement.

We are proud of our young tech enthusiasts and wish them the very best for the State Level Round!

The Vocational Training Centre recently celebrated its 7th Convocation Ceremony in the presence of distinguished guests, staff, and students. Certificates were awarded along with 36 trophies, generously sponsored by two elders from the Ashram's Vanaprastha Mandir.

Drs. Anjanaben and Arunbhai Patel, valued donors and well-wishers of the Ashram whose support brought the VTC Drone Lab to life, graced the occasion with an inspiring address. Mr. Satishbhai Bhuvikar, representing the Aditya Birla Company, lauded the Centre's initiatives and reaffirmed the company's continued sponsorship support, which has greatly benefited our students.

An official from Papaya Care, a company providing Assisted Living and Senior Care, also commended the skills, humility, and compassionate care of our Nursing Assistant graduates, noting that students trained at Muni Seva Ashram stand apart for their special qualities.

The ceremony concluded with a graceful dance performance by our students, offering a heartfelt welcome and tribute to the guests.

At Muni Seva Ashram, we believe that nursing is not only about clinical expertise but also about compassion, communication, and care that touch the human spirit. To strengthen these qualities, our Institute of Nursing organized a Soft Skill Training Program for the final year B.Sc. Nursing students.

Soft skills such as effective communication, empathy, teamwork, problem-solving, and emotional intelligence are vital in healthcare. They help nurses build trust with patients, provide comfort during difficult times, and work seamlessly with healthcare teams. These skills transform technical knowledge into healing care.

True to the Ashram's philosophy of wholistic development, we prepare our students not just as skilled professionals but as compassionate caregivers who see the patient as a whole person. By nurturing both knowledge and kindness, we ensure that our patients receive the best possible healing experience.

मुनि सेवा आश्रम अनुसंधान गुरुकुल वार्षिक संवर्धन प्रतियोगिता 05/21		
YEAR	TOTAL STUDENTS	TIME
FY ANIA [W]	04/30	12:00 To
FY CMM [N]	25/25	01:00 To
SEM-II BSC [N]	20/22	

The Bhartiya Sanskruti Gyan Pariksha, supported by Gayatri Parivar, was held at our Institute of Nursing.

Students from the Nursing Institute engaged the children of Shardamandir Bakshipanch Ashramshala in an interactive session on physical hygiene and healthy habits, using pictures and a short drama to make learning fun and memorable.

Menstruation is a natural part of a girl's growth, yet silence and myths often surround it. To promote awareness and confidence among young girls, the 4th-year B.Sc. Nursing students from our Institute of Nursing conducted an interactive awareness session on menstrual hygiene for the girls of our schools.

The session emphasized the importance of cleanliness, regular bathing, and safe use of sanitary products to prevent infections and discomfort. Common myths were also addressed - such as the

belief that girls should avoid the kitchen or bathing during menstruation - highlighting that these are misconceptions, not medical truths.

Such initiatives encourage girls to understand their bodies without shame and build a healthy attitude towards menstruation.

Awareness leads to confidence - and confidence leads to empowerment.

Mental Health Matters: Awareness in Action

Recently, on occasion of World Mental Health Day, the second-year GNM students of our Institute of Nursing organized a Mental Health Awareness Exhibition at Goraj Village, while the third-year students conducted an Exhibition and Rally at Jamnabai General Hospital, Vadodara. Both events highlighted the importance of mental well-being - helping people recognize signs of stress, anxiety, and depression, and emphasizing the values of compassion, support, and timely care. Such initiatives empower communities to prioritize mental health, foster empathy, and break the stigma around seeking help.

If you plan for a year, sow rice. If you plan for a decade, plant trees. But if you plan for a lifetime, enlighten minds - educate people.

ગોધરા ગોવિંદ ગુરુ યુનિ.ના યુવક મહોત્સવનો પ્રારંભ

આહીર, મુની સેવા આશ્રમ ગોરજના આધુનિક સંત સમાન ડો.વિક્રમભાઈ , પ્રો.ડો .કિશોર વ્યાસ સહિતના મહાનુભાવોની ઉપસ્થિતિમાં રંગારંગ, જુસ્સાપૂર્વક યુવક મહોત્સવનો દીપ પ્રાગટ્યથી પ્રારંભ થયો છે. જેમાં લોક નૃત્યથી ઉપસ્થિત યુવા વિદ્યાર્થીઓએ સમગ્ર યુનિવર્સિટી કેમ્પસ ગજવી મુક્યું હતું. શાસ્ત્રીય નૃત્ય, શાસ્ત્રીય વાદ્ય, મહેંદી હરીફાઈ, કનૃત્ય સ્પર્ધા, ડિબેટ, ક્વિઝ, રંગોળી, શીઘ્ર વક્રત્વ સ્પર્ધા, હળવું કંઠ્ય સંગીત, ગ્રુપ સોંગ, ક્લે મોડેલિંગ, કાર્ટૂનિંગ ઓન ધ સ્પોટ ફોટોગ્રાફ સહિત અનેક સ્પર્ધાઓ યોજાઈ જેનાથી સમગ્ર યુનિવર્સિટી કેમ્પસ યુવા વિદ્યાર્થીઓના જોશ-ઉત્સાહથી ગુંજી ઉઠ્યું છે. યુનિવર્સિટીના કુલપતિ પ્રો. હરિભાઈ કાતરીયાએ આ માટે યુથ ડેસ્ટિવલ કમિટી સહિત તમામનો અંતઃકરણ પૂર્વક આભાર માન્યો છે.

કાર્યક્રમમાં ખાસ યુવા કલાકારો જેમાં ઈન્ડિયન આર્ટ્સ- ૧૩ના શિવમસિંહ, લોક કલાકાર ભાવેશ

At the Yuvamahotsav Spandan – 2025 organized by Shri Govind Guru University, Godhra, our Chairman Dr. Vikram Patel graced the inauguration ceremony with his inspiring presence alongside other distinguished dignitaries. Students from Muni Seva Ashram's Institute of Nursing showcased their talent and enthusiasm in various events - Jaimin Nai and Sarth Variya participated in the debate, Jagriti Bilawal in poster making, Tisha Darji in mehndi design, and Aditya Rana, Rakesh Damor, and Yash Rathwa in the quiz competition.

Hearty congratulations to all our students for their spirited participation and for representing the Ashram with pride!

Creativity and Resourcefulness at Bhagini Mandir

Muni Seva Ashram, Gorai's

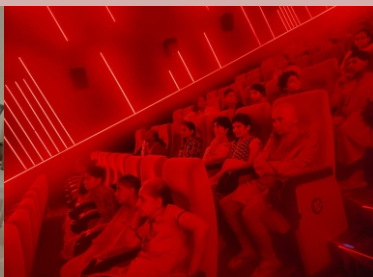

अनुसंधान

Every day brings a fresh opportunity for our sisters at Bhagini Mandir to create something new. Their passion for learning and creating is so strong that they often make beautiful and innovative items even when materials are scarce. Living by the motto, "the tools you have are the best," they demonstrate remarkable resourcefulness and creativity.

Spice, smiles, and Shinchan - Bhaginis' Day Out

Our Bhaginis enjoyed a delightful outing! They went out for lunch and then watched the Japanese animated film *Shinchan: Spicy Kasukabe Dancers*. The movie brought smiles, surprises, and bursts of laughter all around. For many, the joy of watching a film on the big screen was a truly thrilling experience.

Diyas of colour, courage, and light within

Our Bhaginis have joyfully painted diyas that are more than mere decoration - they shine as symbols of hope, inclusion, and the inner light that no darkness can dim.

Festive spirit in full bloom at Vivekanand School

A vibrant Rangoli Competition at our Vivekanand School filled the campus with colors, creativity, and festive cheer. All houses participated with great enthusiasm, showcasing their artistic talents and spreading hues of joy and hope.

House No. 2 secured the **first position** with a stunning Rangoli depicting *Prabhu Shree Ram and Sitaji*, while **House No. 5** and **House No. 3** earned the **second** and **third** places respectively. Heartfelt congratulations to all the participants for their spirited efforts and beautiful creations!

It began with Pujya Shree Anuben's simple act of love - caring for the children of tribal communities. Today, that love has blossomed into a movement at Muni Seva Ashram, where childhood is cherished, nurtured, and allowed to soar. Here, love lays the foundation, and learning gives wings to every child's dreams.

Since 1978, our 15 crèches have transformed the lives of children aged 6 months to 6 years. Parents - mostly farmers and labourers - can work with peace of mind, knowing their little ones are safe, nourished, and guided through Montessori-based learning, wholesome meals, and attentive care. Health, hygiene, education, and values come together to shape the future of our nation, one child at a time.

After over 35 years of service, these crèches are being lovingly renewed. Our visionary Trustees, Shree Pradip and Malini Shroff, have committed their support to renovate and upgrade seven crèches. Three are complete, and the fourth - at Goraj village - was recently inaugurated amidst villagers, well-wishers, and the brightest smiles of all: the children themselves.

We extend our heartfelt gratitude to Pradip Uncle and Malini Aunty, whose love and care ensure that these young lives continue to flourish.

Gratitude

We extend our heartfelt gratitude to the following donors for their generous sponsorship of dormitory rooms at our Vocational Training Centre:

Shree Harshad and Hansa Thakkar – 1 Room

Shree Dinesh and Alpana Gandhi – 4 Rooms

Shree Jayant and Yogini Shroff – 4 Rooms

Shree Arvind and Rohini Dhruv – 4 Rooms

Shree Ramesh Zaveri – 2 Rooms

Shree Vikram and Shakuntala Patel – 5 Rooms

Your support provides a safe and nurturing space for our students, helping them pursue their skills and dreams with confidence. We are deeply grateful for your kindness and vision.

ડૉ. વિક્રમ પટેલ

Between the sacred strength of Pavagadh and the gentle flow of Dev Nadi, amidst nature's abundant bounty, stands Muni Seva Ashram - a sanctuary of life and a home for humanity. From its earliest days, the Ashram's hospital became a refuge for countless lives, including those threatened by snake bites. Through the tireless devotion of Dr. Vikram Patel, his colleagues, and the compassionate staff, every life was saved. Their skill, dedication, and unwavering faith, guided by divine grace, transformed immense challenges into a lasting legacy of hope and healing.

In those years, with minimal equipment, patients were nurtured back to life using the ambu-bag, a simple hand-held resuscitator. As the number and severity of cases grew, the need for a ventilator became critical.

In 1996, Dr. Vikram approached Pujya Anuben, who, with quiet faith, said, *"We will see. Keep the details ready."* Guided by destiny, Arvindbhai, inspired by his mother Gangaba's selfless spirit in Kisumu, Kenya-where she had been helping Pujya Shree Ben since the early days-and having survived a life-threatening accident himself, brought the Ashram its first Siemens Servo-300 ventilator, worth ₹8.5 lakh. At a time when the hospital's monthly budget was only a fraction of this cost (₹50–60 thousand), this act of generosity transformed the Ashram's ability to serve countless lives.

From its inception to this day, every step of Muni Seva Ashram has felt touched by unseen hands-bringing the right people at the right time, providing essential support, and nurturing a mission rooted in love, compassion, and selfless service. Truly, this journey is a testament to faith, destiny, and divine guidance, inspiring all to continue walking the sacred path of seva with grateful and hopeful hearts.

As the light of Diwali fills the heavens, we at **Muni Seva Ashram** offer profound gratitude to our donors and well-wishers, whose steadfast devotion and compassionate hearts have been the foundation of our journey. May this sacred season bless all beings with tranquility, joy, and clarity, and may the coming New Year awaken renewed hope, radiant health, and heartfelt happiness. May your enduring spirit of giving illuminate lives far and wide, and may the path of seva guide us all toward harmony, grace, and eternal light.

We are proud to share the remarkable journey of our EMRS student, Darshil Raut, who qualified for the Semi-Final of Gujarat STEM Quiz 3.0 at Science City, Ahmedabad, in early 2025 – a competition that witnessed participation from 520 teams across 28 states and 8 union territories.

In recognition of his achievement, Darshil was recently invited to attend the Forensic Science Bootcamp at the National Forensic Sciences University (NFSU), Gandhinagar, and also visited IIT & DRDO, Jodhpur, alongside other brilliant students from across the state.

During this intensive program, Darshil:

- Explored Centres of Excellence in DNA Forensics, Digital & Multimedia Forensics, Ballistics, Toxicology, and Investigative Psychology.
- Attended seminars on Artificial Intelligence, Robotics, Cyber Security, and Forensic Science applications.
- Participated in educational visits to ISRO-SAC and the Astronomy & Space Science Gallery at Science City.
- Gained exposure to cutting-edge technologies bridging science, investigation, and innovation.

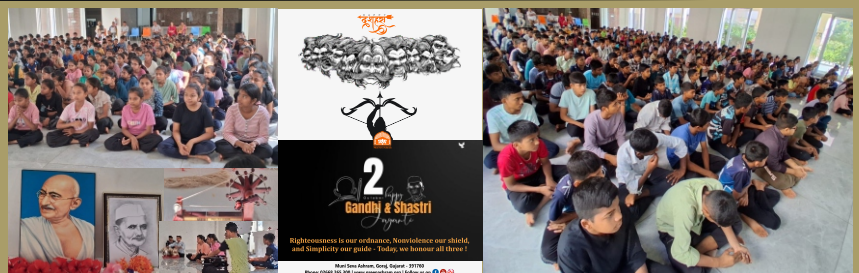

The program concluded with Darshil being awarded a Certificate of Completion, marking his dedication and excellence.

His journey is a shining example of how curiosity, hard work, and passion for learning can open doors to extraordinary opportunities. We extend our gratitude to the organizers for providing such enriching experiences to young minds and hope Darshil's achievement inspires many more students to dream big, explore science fearlessly, and embrace every learning opportunity.

2nd October: Birthday Celebration of Bapu & Shashtriji

We celebrated the birthdays of Lal Bahadur Shastri and Mahatma Gandhi, honoring their values of truth, non-violence, and service. Let's draw inspiration from their legacies to build a more just and peaceful world.

Support

We have reached these milestones through your benevolent support. Your contributions, both financial and otherwise, keep us moving forward. Our expansions, construction projects, introduction of newer facilities, and beneficiary support programs are made possible by the corporate and personal support we receive. For this, we are eternally grateful.

We believe in complete transparency. Every contribution is immediately followed up with an 80G compliant receipt. Daily updates of Muni Seva Ashram are documented on our Facebook and Instagram handles, and newsletters are published on our website: www.greenashram.org For information on how to donate or offer assistance, please visit our website: www.greenashram.org

Thank you once again for your unwavering support!

We welcome your suggestions to make अनुसंधान even better. Please share your thoughts and feedback with us at anusandhan@greenashram.org
